

## Dean Druschel / Team Miller Motors WINS in Woodburn, OR!

September 4, 2008~~~Swanton, Ohio

It has been long over due this year but Team Miller Motors finally gets a win in the Pingel Super Eliminator class in Woodburn, Oregon! It was the 9<sup>th</sup> National point's event at the Northwest Nationals for the All Harley Drag Racing Association (AHDRA) for the 2008 season.

After a long flight on Thursday, a special thanks to Donnie Huffman for hauling the bike on the long trip out West; Dean would run Test-N-Tune on Friday to make sure the bike was tuned were it needed to be. Friday also proved that this was going to be an exciting weekend with Thomson, Boyer, and Lowery all showing up from the East coast to keep in the chase for the Super Sport Championship. Winters and Wagner would also make the long journey for the Super Eliminator Championship chase.

Saturday, Dean would have a great qualifying day in both classes. In Super Eliminator (10.90 index), Dean would get the 5<sup>th</sup> qualifying spot with a 10.966 and in Super Sport (10.30 index) he would get the 3<sup>rd</sup> spot with 10.322.

Sunday would prove to finally be Dean's day even with some tough competition. In Super Sport, Dean would make it to the Quarter finals. He would cut a great light of .037 and a 10.546 but wouldn't be enough against Danny Boyer's .125 light and 10.397. Dean would keep the points lead with a 101 points ahead of Lowery , 118 points ahead of Boyer and 169 points ahead of Thomson with two races to go.

In Super Eliminator, Dean would start taking out racers one by one to get to the finals against Danny Boyer. Dean was having some problems with the air shifter this weekend as well as a bad tooth ache, but that wasn't going to stop him. Dean stated "I just can't let Danny take me out of both classes. I just love Woodburn; I got my first #1 Qualifier here in 2006 and also won SE last year. I know this is going to be my day". Danny would cut a .183 light with a 10.520 but wouldn't be enough against Dean's .006 light with a 10.728. Both breaking out in the 10.90 index class but Dean would finally get a **WIN!**

Points standings: Super Sport-1<sup>st</sup> in National points; 2<sup>nd</sup> in the Eastern points. Super Eliminator- 3<sup>rd</sup> in National points; 2<sup>nd</sup> in the Eastern points. Can Dean keep the Super Eliminator Championship for a 2<sup>nd</sup> time and also get the Super Sport Championship? Stay tuned for all the excitement as the race for the Championships is underway.
